## CHanalysis 2013

The Division Analytical Sciences of the Swiss Chemical Society (SCG/DAS) is organizing **CHanalysis**, a meeting of Swiss analytical scientists.

The goal is to stimulate a stronger cooperation among persons working in the different areas of analytical sciences.

In addition to lectures and discussions, an informal evening session is scheduled for networking and building new contacts across scientific borders. Analytical scientists from applied / fundamental research and education are welcome.

PhD students, who are members of SCG/DAS can apply for travel support.

## Important dates

- Submission of abstracts: September 30, 2013
- Registration: September 30, 2013
- Notification of acceptance: October 15, 2013
- Meeting: November 29–30, 2013

## Participation fee

CHF 250.–(includes meals and accommodation)

PhD students, who are members of the Division of Analytical Sciences of the Swiss Chemical Society can ask for travel subsidies of CHF 200.

## Registration

Please register and submit your abstract on the website [www.scg.ch/chanalysis2013](http://www.scg.ch/chanalysis2013). For each session, the organizers will select three abstracts for oral presentation. Due to space limitations, the number of participants is restricted to a maximum of 120 persons. The places will be distributed on a first come first serve basis.
